**GATHERING IN**

The Season of Lent is over. We have observed a meaningful Holy Week and concluded that with a wonderful celebration on Easter morning. Now we have moved into the lengthy Easter season which will last until the Day of Pentecost. I want once again to express my appreciation to everyone who took part in making each of the Holy Week services so meaningful.

While we normally follow our three-year cycle of readings each Sunday morning, during the Easter season we get to read from John's Gospel each week and we focus on Luke's writing on the Acts of the Apostles and the Book of the Revelation in place of the Old Testament reading and one of the Epistles. It's always good to hear from the word of John and we have that opportunity during the Easter season at this time each year.

We will close out the month of April with many of you attending the ordination of Nathan Webb to the diaconate. Nathan has just finished his seminary work by completing his studies in clinical ministry at the State Hospital in Terrell. While he was there this past year, he served at Good Shepherd Church in Terrell where he assisted and preached on a regular basis. He is now being ordained as a deacon which is his next step leading to his ordination to the priesthood this coming fall. At this writing, we are not sure about the timetable, however we anticipate that Deacon Webb and his wife, Kristiane will be coming to St. James in the near future where the deacon and I will begin to work together as he further prepares himself for the priesthood.

The Webb's will be visiting with us on the 8<sup>th</sup> so be sure to be here in order to get acquainted. The couple is expecting their first child sometime in August and we will share in their joy when the big day arrives.

Remember that God loves you and so do I,

**JDM+**

## **T.E.A.C.H.**

We are continuing with our current study of the Practices and Beliefs of the Church. Upcoming sessions will include discussions on ordination, the daily offices, the Church calendar, Holy Week and Easter, and the burial office. Future lessons will cover the topics of the Creeds, the Bible, prayer, the Church and the structure and governance of the Church. Don't miss out on this opportunity to learn more about your church or to review those things that may have been forgotten.

## WEDNESDAY STUDY GROUP

Our Wednesday group starting up again and we are looking at J. John's book *The Life, a Portrait of Jesus*. We just completed our introductory session and will be looking into the religious background, the powers, politics, and the pressures that Jesus faced during his time here on earth. Then we will look at his birth and the beginnings of his early ministry. We will study his later ministry and his followers and friends. We will round out the month with a study of his miracles and his teachings. Come each Wednesday at 11:00 and be a part of our fellowship and study.
