## FR. MELTON'S MYSTICAL MUSINGS:

### "FOOD FOR THE POOR" COMING JANUARY 19!

We welcome the Rev. Holly Ostlund, an Episcopal priest, to worship with us on Sunday, January 19. She will preach at the Eucharist and show a brief video at TEACH afterwards, and answer whatever questions you may have. She speaks for the Third World destitute served by **Food for the Poor**, an interdenominational ministry providing food, clothing, medical care, housing, school supplies and economic development programs in the Caribbean and Latin America.

Holly has been here before, several years ago, at the invitation of the previous rector, Fr. Jerry Morriss. She travels most weekends for **Food for the Poor** to introduce people of the First World to the people of the Third World. She lives in Palm Beach Gardens, Florida with her adult son Grant and their canine "rescue," Sahara. Weekdays she is a Palm Beach County hospice chaplain.

St. James has made some substantial contributions in the past. If you choose to do so, there will be a bulletin insert available to make a contribution. Fr. Randy+

## **T.E.A.C.H (Sunday morning, 10:30-11AM)**

We will have a class on Sunday, January 12 on the sacrament of baptism since that is the feast of the Baptism of Jesus. The Rev. Holly Ostlund will speak to us on January 19, and our Annual Parish Meeting will be on January 26. Regular classes will resume on February 2. Please give Fr. Randy ideas of topics you are interested in learning more about!

## **EPIPHANY WORSHIP**

Liturgically, the color is **GREEN** to remind us of a season where we continue to grow through God's special revelations of himself in Jesus Christ. We will be using Eucharistic Prayer C, which emphasizes a bit more of God's self-revelation ("*Open our eyes to see your hand at work in the world about us.*"). EPIPHANY means to reveal or make manifest something hidden. The season of Epiphany follows up on the Christmas theme by "fleshing out", so to speak, the Incarnation and what it means to say the "Word became flesh and lived among us." You will notice this in the gospel readings throughout the season of Epiphany. Check out how they reveal to us who Jesus is!

## **Annual Parish Meeting**

The Annual Parish Meeting will be held after worship on January 26 in the parish hall. This is an opportunity to celebrate together the life of our parish family, to enjoy one another's fellowship and to accentuate the ways that the Lord has used us to serve Jesus through others this past year. Two new vestry members will be elected as well as delegates to next year's diocesan convention. A brief vestry meeting will take place after the Annual Parish Meeting to select a secretary and junior warden, and verify a meeting time that's agreeable to all.

Come enjoy the fun and fellowship as we celebrate together the life of our parish! There will be an **EPIPHANY CAKE** with several surprises inside that impart various blessings to those lucky ones who receive them. Be careful as you chew and don't swallow one! They include a bean (king or queen of the party), a dime (increased wealth), a button (increased ecclesiastical wisdom), a cross (blessings of the church), and a thimble (increased industry). The person receiving the thimble gets to make the cake for the next year. **COME JOIN THE FUN!!**

## VESTRY Nomination Slate Revealed

Vestry nominations were received to fill the two vestry openings. They are Mike Horton and Marvin O'Connor. Brief bios on both will be sent to you via email when they are received. Nominations closed on December 15 after two weeks of open nominations, so we will accept them by acclamation at the annual parish meeting. Delegates to diocesan convention will be nominated from the floor and elected at the annual parish meeting.

## FR. RANDY'S RAVE REVIEWS: BOOKS TO BUY, BEG OR BORROW:

### UNKNOWN EMPIRE:

#### The True Story of Mysterious Ethiopia And the Future Ark of Civilization

*By Dean W. Arnold, Chattanooga Historical Foundation © 2019—Highly Recommended*

This book is one of the most fascinating and interesting books that I've read in a long time. Are Ethiopians really the keepers of the Ark of the Covenant? Ethiopia is the only African nation never colonized. Their people didn't immigrate—they were already there! What is the evidence that this is the place where the Garden of Eden was placed and the first people on earth originated? Ethiopia was the very first Christian empire and was 1,000 years Jewish before Christ. There are many such remarkable claims made that have very compelling arguments.

The book begins with a barefoot Olympic runner in the 1960's, and then reflects backwards to the barefoot Ethiopian army defeating thousands of European soldiers in 1896. As the only African nation to never be conquered, this barefoot army defeated Mussolini during WWII as well. There's a fascinating section on how world population growth trends conclude that Africa will be the continent of the future. The USA will not be able to sustain our population and will cease to exist in under 200 years. In less than 100 years the German language will no longer exist, nor will Europe. How are Westerners attempting to sterilize Africans to limit their population growth, and how are Africans able to resist Western secular individualism, which goes against African values, most of which reflect biblical values. With the West dying but Africa booming, Ethiopia faces population control leaders such as Bill and Melinda Gates and the U.N. in an epic confrontation for the future of civilization.

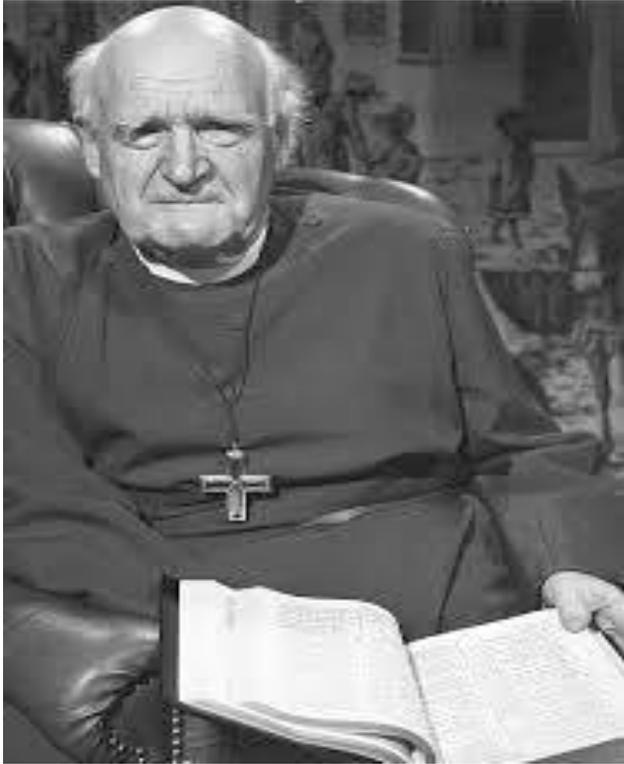

In all these confrontations, the Ark of the Covenant plays a central role for Ethiopians who believe that they have held the world's most sacred object since before the time of Christ. The book explores the Ark claim throughout and weaves in the claims of Eden and empire. This is a hard book to put down, a mesmerizing "nonfiction novel" where every exciting action and quote is true! You'll learn things you never knew and wonder about things you thought you knew that aren't true. Or at least there's a compelling option to consider. Give it a read if you're interested in such things! You can get it on Amazon for just \$22.95 in paperback or \$9.95 on kindle.

## **FIVE HELPS FOR THE NEW YEAR FROM ARCHBISHOP MICHAEL RAMSEY:**

- 1. Thank God...Often and always. Thank him carefully and wonderingly for your continuing privileges and for every experience of his goodness. Thankfulness is a soil in which pride does not easily grow.**
- 2. Take care about confession of your sins. As time passes the habit of being critical about people and things grows more than each of us realize.**
- 3. Be ready to accept humiliations. They can hurt terribly but they can help to keep you humble. [Whether trivial or big, accept them, he says] All these can be so many chances to be a little nearer to our Lord. There is nothing to fear, if you are near to the Lord and in his hands.**
- 4. Do not worry about status. There is only one status that Our Lord bids us be concerned with, and that is our proximity to Him. "If a man serve me, let him follow me, and where I am there also shall my servant be". (John 12:26) That is our status; to be near our Lord wherever He may ask us to go with him.**
- 5. Use your sense of humor. Laugh at things, laugh at absurdities of life, laugh at yourself. Through the year people will thank God for you. And let the reason for their thankfulness be not just that you were a person whom they liked or loved but because you made God real to them.**
