## FROM THE PASTOR'S PERSPECTIVE

As many of you know, in April, Bishop Sumner called for the election of a bishop coadjutor. The role of bishop coadjutor is a special role. They will serve as alongside Bishop Sumner until his retirement, at which point the bishop coadjutor will become the eighth diocesan bishop of the Diocese of Dallas. Next week, a link to a survey will be sent out and available to every member of the diocese. This survey will provide a valuable opportunity to express the values that we hope to see in our next bishop. Your feedback is crucial in helping the search committee discern what qualities and priorities the bishop coadjutor should possess. The survey is scheduled to launch on July 7. I will be sending out the link as soon as it becomes available. If you are not able to access the survey, but would still like to take part, please let me know.

We are going to begin a look at the saints. What makes someone a saint? How did they become a saint? Why care about them? How can we become saints?
