FROM THE PASTOR'S PERSPECTIVE

In many Christian circles, June is traditionally the month that is dedicated to the Sacred Heart of Jesus. For those of us with a more evangelical background, the Sacred Heart of Jesus may seem like a strange concept. Have no fear, it is really just a time for us to remember and reflect on Christ's infinite love for us. His heart was so filled with love for us, that he was born into the world to reconcile us to himself. The Sacred Heart of Jesus flows forth the ever-giving stream of life that calls us to Christ. As you go throughout this month, remember the infinite love that God has for you.

HUNGRY BUNCH

This month we'll get together for food and fun on Friday, June 7, at The Boathouse in Athens. Meet us there at 5:30 pm.

T.E.A.C.H.

We are going to begin a look at the saints. What makes someone a saint? How did they become a saint? Why care about them? How can we become saints?
